

ND Family Based Services Association

Be a part of the family, for families

HISTORY OF ANNUAL AWARD RECIPIENTS

Each year, at an annual meeting, the North Dakota Family Based Services Association is pleased to recognize individuals and programs who have made an exceptional difference in the lives of North Dakota families.

The awards are given based on supporting family based services in their field of practice, enhancing the visibility of family based services in North Dakota and promoting the mission of the NDFBSA. Professionals and families in North Dakota can nominate deserving individuals and programs for consideration. Nominees are first nominated by the provided form. In addition to the initial nomination that nominator solicits at least two (2) letters of support. All nominating letters of support are submitted to the President Elect who then presents to the NDFBSA Board of Directors for selection.

North Dakota Family Based Services Association Award categories are:

- **Provider Award** – for an individual who has exemplified the Family Based Services philosophy in their professional practice.
- **President’s Award** – a discretionary award, used by the NDFBSA Board to identify individuals or programs that excelled in providing family based services over time. Nominations come from within the Board of Directors.
- **Program Award** – for outstanding or innovative family services or for a program that fills a gap in the existing services.
- **Lifetime Membership Award** – for an individual who has provided a minimum of seven years of meritorious service and/or employment in support of Family Based Services philosophy. This recipient will be awarded a lifetime NDFBSA membership free of charge.
- **Special Recognition Award** – Person or program that is innovative and responsive to immediate needs or current issues in keeping with a Family Based Services philosophy.
